Apprenticeship Training Dynamic Marketplace

Generic Prospectus Template

Welcome to the Apprenticeship Training Dynamic Marketplace, Prospectus section.

You may only have to complete this section once to register on the DPS. This section allows you to detail prospectus data for your service offering(s) for the DPS with Government Commercial Agency (GCA). This information will allow Buyers using the RM6102 Marketplace to invite you to bid for contracts that are suited to your organisation directly.
For this section you will be required to complete the following:

- Generic Apprenticeship Prospectus Template
- Generic End-Point Assessment Prospectus Template
    - Generic Foundation Apprenticeship Prospectus Template
    - Generic Apprenticeship Unit Prospectus Template
- Apprenticeship Prospectus
- End-Point Assessment Prospectus
    - Foundation Apprenticeship Prospectus
    - Apprenticeship Unit Prospectus

© 2026 NQC Ltd All Rights Reserved.

You will only be required to complete a generic prospectus template once for your organisation, and an additional further competition prospectus for your organisation's service offering(s).
Should your organisation change its service offering(s) at any point during the lifetime of this DPS, you will be required to update the appropriate prospectus details in your registration by following the instructions in the DPS Needs document which forms part of the bid pack for RM6102.

If you require any further guidance or support please visit the DPS Help page.
